ANIMAL QUALIFICATIONS, RULES, & ADDITIONAL RENT

All animals, including assistive animals, must be disclosed.

You must first fill out a separate PetScreening.com application for each animal.

This applies to any animal that will occupy the home, including service animals, therapy animals, emotional support animals, etc.

First animal is \$20 to register, additional animal \$15 (these fees are non-refundable).

No fee applies for service animals.

PetScreening.com is an independent third party animal screening service.

Please follow this link to the animal application found at <https://rentalsbyjoan.petscreening.com/>

Your pet screening "paw score" will determine the amount of additional monthly Pet Rent which is

paid per animal if application is accepted. This score is determined using a proprietary formula that takes into account things like animal age, weight, vaccination records, etc.

The following are the animal rent amounts if accepted by the owner and will be added to the currently advertised rental amount:

5 Paws – No Increase

4 Paws - \$10.00/mo

3 Paws - \$25.00/mo

2 Paws - \$40.00/mo

1 Paw - \$55.00/mo

Please note that the following dog breeds are restricted by landlord insurance policies, and you would be required to provide your own animal liability insurance covering the specific dog and naming both our brokerage and the property owner as additional insured on the policy:

All animals must be approved by the Owner regardless of paw score and carry a specific liability policy naming the owner and West USA Realty as added insured parties.
